4.0 PROCEDURES

- .1 The patient or his or her legal guardian shall be required to sign a Release of Medical Information form, Doc 404A
- .2 The patient's primary care physician shall draft a memorandum to the Health Care Division Medical Director recommending a compassionate release for a patient. At a minimum, the information supplied to the Medical Director shall include the patient's name, SID number, and date of birth. The physician shall indicate the category of the request and a description of the terminal or debilitating medical condition.
- .3 The CSA shall request an abbreviated prescriptive plan (PPU) from the facility where the inmate is housed. At a minimum, the PPU shall include the inmate's prison behavior, participation in required programs, detention charges, sentences, and inmate custody status and conviction history. The PPU shall be attached to the medical recommendation and sent to the Health Care Division Administrator.
4. The Medical Director shall approve or disapprove the physician's recommendation.
 - a. Disapproval – The Medical Director shall inform the requesting physician
 - Approval - The memorandum with the Medical Director's approval shall be forwarded to the Health Care Division Administrator (HCDA).
- .5 The HCDA shall submit the packet with a cover memorandum recommending the compassionate release to the Director through the Deputy Director for Corrections (DEP-C). The cover memorandum shall have a signature line for the Director and the DEP-C to approve or disapprove the HCDA's recommendation.
- .6 If the DEP-C approves the recommendation, the recommendation shall be forwarded to the Director for approval. If approved, the Director shall forward the request to the Hawaii Paroling Authority.
- .7 Recommendations that are not approved shall be returned to the Health Care Division and the Medical Director shall inform the requesting physician of the determination.
- .8 The HCD may resubmit and updated recommendation for a compassionate release should a previously denied inmate's condition or category of condition change.
