December 2010

SECTION 44, Electronic monitoring pilot program for eligible committed persons:

In order to meet the mandatory reduction to the FB09-11 supplemental budget ceiling, the Department of Public Safety deferred the implementation of the electronic monitoring pilot program to FY 2012. Due to this deferment, no expenditure and report on this pilot program will be submitted for FY 2011.

SECTION 45, Three additional warrant team for FY 2011:

In order to meet the mandatory reduction to the FB09-11 supplemental budget ceiling, the Department of Public Safety deferred the establishment of three additional warrant teams to FY 2012. Due to this deferment, no expenditure and report on these warrant teams will be submitted for FY 2011.

SECTION 46, Deputy Sheriff for Special Duty Assignments for FY 2010 and 2011:

The Sheriff Division implemented a process to ensure all funds received by Deputy Sheriffs for special duty assignments are reported to Federal and State taxing authorities. Also, when Deputy Sheriffs request to work a special duty assignment with a non-state agency, they are required to complete and submit an invoice and W-9 form to the non-state agency vendor. If they do not fill out the W-9 form as required, they would not be paid by the vendor until they complete and submit the W-9 form as required. When a Deputy Sheriff request to work a special duty assignment with an outside state agency, the Deputy Sheriff is paid through state payroll and the applicable taxes are withheld accordingly.

The Sheriff Division's policy and procedure (P&P), SD.03.02, "Special Duty," is related to special duty. This P&P is specific to the Sheriff Division's implementation of special duty in accordance with the requirements and restriction of PSD's P&P, LAW.03.02, "Special Off-Duty Employment." An amended SD.03.02 P&P was drafted to include, "Each Deputy Sheriff shall report all special duty income to the appropriate Federal and State taxing authorities." This draft is pending consultation with HGEA that is required by labor law and the collective bargaining contract. There are currently more than 12 pending P&P's in the consultation process that need to be completed first. Once those consultations are completed, this P&P along with another 12 pending P&P's will be submitted for consultation.

Refer to the attachments for the following reporting requirements listed in HRS ACT 162, PART III, SECTION 46:

- (1) A detail of amounts charged to each state agency for deputy sheriff special duty assignments;
- (2) The total amount received by each deputy sheriff for special duty assignments with state agencies and the amount received for special duty assignments with non-state agencies;

- (3) The average amount of overtime paid, if any, to deputy sheriffs for special duty assignments; and
- (4) The average amount of other income paid to deputy sheriffs for special duty assignments.

SECTION 47, Public Safety employees sick leave abuse and overtime costs – reducing costs:

In order to meet the mandatory reduction to the FB09-11 supplemental budget ceiling, the Department of Public Safety deferred the establishment of a separate protocol fund for incentivizing employees to FY 2012. Due to this deferment, no expenditure and report on this pilot program will be submitted for FY 2011.
