TO WHOM IT MAY CONCERN:

Pursuant to Act 116 of the 2013 Regular Session of the Hawaii State Legislature, the Department of Public Safety issues the attached list of independent civil process servers. This list may be updated periodically.

If you require the services of an independent process server, please contact the independent process server of your choosing directly.

An independent civil process server is NOT a law enforcement officer, deputy Sheriff, or an employee of the State of Hawaii. PSD is not responsible or liable for the conduct of these process servers. Disputes with a process server should be resolved with the process server directly.

TO ALL CONCERNED

SUBJECT: PROCESS SERVER LIST

Individuals listed as Process Servers by the Department of Public Safety (PSD) serve the following types of documents:

1. Orders to Show Cause Pursuant to Sections 603 and 604, Hawaii Revised Statutes (HRS).
2. Writs of Attachment and Execution pursuant to HRS Section 651.
3. Garnishment documents pursuant to HRS Section 652.
4. Writs of Replevin pursuant to HRS Section 654.
5. Writs of Possession pursuant to HRS Section 666.

All other documents not listed above, such as Summons, Complaints, and Subpoenas can be served by anyone 18 years of age or older and not a direct party to the law suit.

PSD discontinued its administrative services regarding process servers in 2001, and no longer accepts mail, takes phone calls, provides mailbox and office space, or identification cards for the Civil Process servers, other than a signed PSD document which the servers are allowed to produce in the course of their duties while serving the types of process listed in 1 through 5 above.

The Department only fields complaints from the public and from attorneys concerning process servers if they have not demonstrated an ability to properly execute the above referenced documents, have in some way not performed their duties as promised or expected, or have in some manner misled people into thinking that they are duly sworn law enforcement officers such as a Deputy Sheriff, State of Hawaii employee, or sworn civil deputy, or deputy of any kind. If the process server does identify themselves as one of the above, they may be charged with impersonating a law enforcement officer and will have their names from the listing document deleted, and face possible criminal prosecution based on the facts surrounding their misrepresentation.

Finally, the PSD Sheriff Division, Warrants Section, will continue to assist in evictions if requested by the listed process server, and subject to available manpower resources. You may contact the Warrants Section at 587-3632 or 587-3623.

Should you have any questions or need further assistance, please call the Law Enforcement Division at 587-2562.

An authorized Process Server is NOT a Law Enforcement Officer. This list is provided as a matter of public convenience and may be periodically updated. Any disputes regarding payment, timely service, etc. must be resolved with the individual process server.
