1.0 PURPOSE

The purpose of this policy is to outline the Department of Public Safety’s ("PSD") approach to ensure compliance with the Prison Rape Elimination Act ("PREA") of 2003, through the application of a zero-tolerance policy toward all forms of sexual abuse, sexual harassment, and retaliation for reporting incidents in prisons, jails, lockups, and community correctional centers.

2.0 RATIONALE

The policy's rationale is PSD has a proactive approach to preventing, detecting, and responding to sexual abuse and sexual harassment, while an offender is under the legal and physical custody of PSD, inclusive of requiring compliance with PREA at privately contracted facilities or community correctional centers. The PREA Standards do not create a legal cause of action. The PREA Standards are guidelines or practices developed to prevent, reduce, eliminate, and investigate sexual abuse and/or sexual harassment; and to provide treatment to victims and prosecute violators, who commit sexual abuse and/or sexual harassment against an offender.

3.0 SCOPE

This policy is applicable to all PSD staff, contractors, and volunteers, who have contact with offenders, detainees, or residents. This policy applies to all prisons, jails, lockups, private contracted facilities, and community correctional centers under the direct custody and control of PSD.

4.0 REFERENCES

Blessing v. Freestone, 520 U.S. 329, 340-341 (1997). Holding that PREA did not create a federal right and for a particular statutory provision to give rise to a federal right, Congress must have intended that provision to benefit plaintiff, the right that is claimed to be protected by statute must not be so vague that its enforcement would strain judicial competence, and the statute must unambiguously impose a binding obligation on states.

All references to “staff members” in this policy, by default will include contractors and volunteers. (115.11 a) A “zero-
tolerance” policy means that sexual abuse and sexual harassment in any form is strictly prohibited, and all allegations of such conduct will be investigated.

Any retaliation against individuals for reporting an incident is also prohibited and will be investigated. This policy is intended to set forth the procedures to implementing and managing a “zero tolerance” policy.

PREA incidents based on sexual abuse or sexual harassment, including retaliation against individuals for reporting, if substantiated, shall be subject to the administrative disciplinary process. 9.0 SUPERVISION AND MONITORING

.1 The Department PREA Coordinator in conjunction with the Institutions Division Administrator (IDA) shall ensure that each facility develops, documents, and makes its best efforts to comply on a regular basis with a written staffing plan that provides for adequate levels of staffing, and where applicable, video monitoring, to protect inmates against sexual abuse. In calculating adequate staffing levels and determining the need for video monitoring, each facility shall take into consideration (115.13 a):

a. Generally accepted detention and correctional practices;

b. Any judicial findings of inadequacy;

c. Any findings of inadequacy from federal investigative agencies;

d. Any findings of inadequacy from internal or external oversight bodies;

e. All components of the facility’s physical plant (including “blind-spots” or areas where staff or inmates may be isolated);

f. The composition of the inmate population;

g. The number and placement of supervisory staff;

h. Institution programs occurring on a particular shift;

Department PREA Coordinator via email, fax, or mail within three (3) days. (115.13 b)

.3 The Warden shall review the facility’s written staffing plan annually in the month of July, at the start of the fiscal year, and submit his/her assessment to the Department PREA Coordinator via email, fax, or mail by the end of the month. The Department PREA Coordinator will schedule a formal meeting to review the written staffing plan which shall consist of assessing, determining, and documenting whether adjustments are needed to (115.13 c):

.5 PSD staff is prohibited from alerting other staff members of the above-unannounced walk-throughs by superiors, unless such an announcement is related to the legitimate operational functions of the facility. (115.13 d)

10.0 YOUTHFUL OFFENDERS

.1 According to HRS §706-667, the Court has the authority to commit a young adult defendant, who is sentenced to a term of imprisonment exceeding a period of thirty (30) days to PSD. The statute defines a young adult defendant as a person convicted of a crime, who at the time of the offense is eighteen (18) and less than twenty-two (22) years of age and who has not been previously convicted of a felony as an adult or adjudicated as a juvenile for an offense that would have constituted a felony had the young adult defendant been an adult. The definition of an adult is a person eighteen (18) years or older (HRS §571-23).
.2 PREA's definition of a youthful offender differs from the HRS §706-667 definition. PREA defines a youthfu\noffender as any person under the age of eighteen (18), who is under adult court supervision, incarcerated, or detained in a prison or jail. A youthful detainee is any person under the age of eighteen (18), who is under adult court supervision and detained in a lockup.

.3 PSD does not normally manage youthful offenders/detainees as defined by PREA; however, it is important to note that specialized requirements would apply to the housing of a youthful offender/detainee in a PSD facility.

.4 According to HRS §571-22, the Family Court may relinquish its jurisdiction over a youthful offender and transfer the case to a Court of criminal jurisdiction for prosecution of the juvenile offender as an adult.

.5 If PSD does receive a youthful offender as defined by PREA, described in paragraph (2) of this section, then the youthful offender shall not be housed in a housing unit in which the youthful offender shall have sight, sound, and physical contact with any adult offender using a shared dayroom or other common space, shower area, or sleeping quarters. The facility staff shall document by utilizing the PREA Mandated Reporting Form (PSD 8317) any non-compliance with the above requirement. This form shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days.

.6 PSD staff shall maintain sight, sound, and physical separation between the youthful offenders and adult offenders in areas outside of the housing units, or shall provide direct staff supervision, when youthful offenders and adult offenders have sight, sound, and physical contact. (115.14 b) The facility staff shall document by utilizing the PREA Mandated Reporting Form (PSD 8317) any non-compliance with the above requirement. This form shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days.

.7 PSD shall document the exigent circumstances for each instance in which a youthful offender's access to large-muscle exercise, legally required educational services, other programs, and work opportunities are denied in order to separate them from adult offenders by utilizing the PREA Mandated Reporting Form (PSD 8317). This form shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days. (115.14 c)
.8 PSD shall make its best efforts to avoid placing youthful offenders in isolation to comply with this provision.

11.0 LIMITS TO CROSS-GENDER VIEWING AND SEARCHES

.1 PSD staff shall not conduct cross-gender strip searches or cross-gender visual body cavity searches (meaning a search of the anal or genital opening), except in exigent circumstances, or when performed by medical practitioners. (115.15 a) (COR.08.13).

An incident of cross-gender strip searches and cross-gender visual body cavity searches shall be documented by utilizing the PREA Mandated Reporting Form (PSD 8317). This form shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days.

.2 PSD staff shall not conduct cross-gender pat-down searches of female offenders, absent exigent circumstances. (115.15 b)

All cross-gender pat-down searches of female offenders shall be documented by utilizing the PREA Mandated Reporting Form (PSD 8317). This form shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days. (115.15 c)

.3 Facilities shall not restrict female offenders' access to regularly available programming or other out-of-cell opportunities in order to comply with this provision. (115.15 b)

.4 An offender shall be allowed to shower, perform bodily functions, and change clothing without non-medical staff of the opposite gender viewing their breasts, buttocks, or genitalia, except in exigent circumstances, or when such viewing is incidental to routine cell checks. (115.15 d) The facility staff shall document any exigent circumstances by utilizing the PREA Mandated Reporting Form (PSD 8317) any exigent incident. This form shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days.

.5 Staff of the opposite gender are required to "knock and announce" their presence when entering an offender housing unit and ensure that this notice is logged in the Informer or Logbook. For example, a male staff member entering a female housing unit must "knock and announce" his presence via an intercom or a verbal broadcast by stating "male in the housing unit, ensure that you are properly dressed." (115.15 d)
12.0 LESBIAN, GAY, BISEXUAL, TRANSGENDER, and INTERSEX OFFENDERS

.1 PSD Non-medical staff shall not search or physically examine a transgender or intersex offender for the sole purpose of determining the offender's genital status. (115.15 e)

.2 If the offender's genital status is unknown, it may be determined from conversations with the offender, by reviewing medical records, or, if necessary, by learning this information as part of a medical examination conducted by a medical practitioner. (115.15 e)

.3 PSD staff are to ensure that cross-gender pat-down searches and searches of transgender and intersex offenders are conducted in a professional, respectful, and in the least intrusive manner, while ensuring security operational needs for the good government and orderly running of the facility. (115.15 f)

.4 The professional and respectful pat-down search of a transgender and intersex offender may be achieved by utilizing the back of your hand instead of the front of your hand.

13.0 OFFENDERS WITH DISABILITIES AND OFFENDERS WHO HAVE LIMITED ENGLISH PROFICIENCY

.1 Disabled offenders and offenders with limited English proficiency shall be provided with equal opportunity to participate in or benefit from all aspects of PSD's efforts to prevent, detect, and respond to sexual abuse and sexual harassment. (115.16 a-c)

.2 The use of offender interpreters, or other types of offender assistance is prohibited, except in limited circumstances where an extended delay in obtaining an effective interpreter could compromise an offenders' safety.

.3 In the limited circumstances where offender interpreters, or other types of offender assistance are utilized, it shall be documented by utilizing the PREA Mandated Reporting Form (PSD 8317). This form shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days.

.4 The Civil Rights Compliance Office (CRCO) has designated procedures for the use of authorized interpreters. Effective August 20, 2013, Pacific Interpreters at 1-866-421-3463 shall be contacted for interpreters. If further assistance is

.1 PSD lockups managed by LE (Sheriffs, NED, and EP) are not primarily utilized to house detainees overnight. (115.141)

.2 Before placing any detainees together in a holding cell, LE staff shall consider whether, based on the information before them, a detainee may be at a high risk of being sexually abused. If warranted by the known facts, LE staff shall take necessary steps to mitigate any such danger to the detainee.

.3 PSD lockups shall not be utilized to house detainees overnight. If, based on exigent circumstances, an overnight housing situation does occur, all detainees shall be screened to assess their risk of being sexually abused by other detainees or sexually abusiveness toward other detainees. LE shall document this by utilizing the PREA Mandated Reporting Form (PSD 8317), which shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days.

.4 The term "overnight" lockup is construed as a period of seven (7) or more continuous hours between 2000 hours to 0800 hours. In situations, where the facility has only a remote chance of meeting the above time threshold, or does so only in rare circumstances (defined as less than one time per month on average), the lockup will not be considered an "overnight facility."

NOT-CONFIDENTIAL
.5 LE staff’s inquiry for overnight detainees shall consist of:

a. Asking the detainee about his or her own perception of vulnerability; and

b. Considering, to the extent that the information is available, the following criteria to screen detainees for risk of sexual victimization:

.2 The intake screening by ISC shall occur within seventy-two (72) hours of intake/arrival. (115.41 b).

.3 The facility staff shall review the offender's risk of sexual abuse victimization (vulnerability factors) or sexual abusiveness (predatory factors) toward other offenders, by reviewing the “Intake” PREA Screening Tool. (115.41 a)

.4 The facility shall conduct an affirmative reassessment of an offender's risk of victimization or abusiveness within thirty (30) days of intake screening, based upon any additional relevant information is received about the offender’s victimization or abusiveness, subsequent to the intake screening, by utilizing the PREA Screening Tool (PSD 8314) and consult various sources (e.g., mental health, disciplinary history, allegations of relevant threats or victimization) including interviewing the inmate to determine whether any previously unknown triggering event or information has become available and to document such review.

NOT-CONFIDENTIAL
.5 If no additional relevant information is received by the facility when reassessing the intake screening, then check the appropriate box on the intake screening tool processed within seventy-two (72) hours of admission. (115.41 f)

.6 ISC and facility staff shall utilize the PREA Screening Tool (PSD 8314) to conduct PREA risk assessments. (115.41 c)

.7 The PREA Screening Tool (PSD 8314) evaluates an offender’s vulnerability factors and predatory factors. The PREA Screening Tool considers the following criteria to assess offenders for risk of sexual victimization:

a. Whether the offender has a mental, physical, or developmental disability;

b. The age of the offender;

c. The physical build of the offender;

d. Whether the offender has previously been incarcerated;

e. Whether the offender’s criminal history is exclusively nonviolent;

f. Whether the offender has prior convictions for sex offenses against an adult or child (see predatory factors);

g. Whether the offender is or is perceived to be gay, lesbian, bisexual, transgender, intersex, or gender nonconforming;

h. Whether the offender has previously experienced sexual victimization, in a correctional and/or non-correctional setting, within the last ten (10) years;

i. The offender’s own perception of vulnerability (oral feedback); and

j. Whether the offender is detained solely for civil immigration purposes, which normally does not occur at PSD facilities. (115.41 d)

.8 The PREA Screening Tool considers prior predatory acts of sexual abuse, prior convictions for violent offenses, and history of prior institutional violence or sexual abuse, if known to the facility, in assessing offenders for risk of being sexually abusive. (115.41 e)
.9 The offender’s risk of victimization or abusiveness shall be reassessed; when a referral, request, incident of sexual abuse, or receipt of additional information which may impact the offender’s risk level by utilizing the PREA Screening Tool (PSD 8314). (115.41 g)

.11 The information on the PREA Screening Tool (PSD 8314) is subject to confidentiality requirements; therefore, professional, and ethical rules shall be enforced to avoid any negative impact to the offender. The information should not be exploited to the detriment of the offender. (115.41 i)

25.0 USE OF SCREENING INFORMATION

.1 PSD shall use the information from the risk assessment screening for housing designations, work line, program assignment, or scheduling to keep separated those offenders at high risk of being sexually victimized from those at high risk of being sexually abusive. (115.42 a)

.2 PSD shall use the risk screening tool information to make an individualized assessment about how to ensure the safety of each individual offender. (115.42 b)

26.0 LESBIAN, GAY, BISEXUAL, GENDER X, TRANSGENDER, AND INTERSEX (LGBTI) USE OF SCREENING INFORMATION

.1 A gender X, transgender or intersex offender will be housed based on their legal status as a male or female. Any deviation in the housing assignment of a transgender or intersex offender to a facility for male or female offenders will be determined by medical and mental health practitioners with input from program and security staff initially at the intake process.

.2 In deciding whether to assign a gender X, transgender, or intersex inmate to a facility for male or female inmates, and in making other housing and programming assignments, PSD shall consider on a case-by-case assessment of whether a placement would ensure the offender’s health and safety, and whether the placement would present a management or security concern. (115.42 c)
.3 In the event that an offender’s sex designation is changed as specified under Hawaii Revised Statutes §338-17.7, “Establishment of new certificates of birth” (effective July 1, 2015), then facility, housing, and programming assignments shall still be made as indicated in .2, but the PREA Coordinator shall be included in the case-by-case assessment.

.4 Biannually designated facility staff identified by the Warden shall reassess the placement and programming assignment of each transgender or intersex offender for the purpose of assessing any threats to the safety of the offender.

.5 This biannual assessment shall be documented by utilizing the PREA Mandated Reporting Form (PSD 8317) and/or may be conducted as part of a classification review for the transgender or intersex offender. The completed PREA Mandated Reporting Form shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days. (115.42 d)

.6 A gender X, transgender, or intersex offender’s own views with respect to his or her own safety shall be given serious consideration. (115.42 e)

.7 Gender X, Transgender and intersex offenders shall be given the option to shower separately from other offenders in dorm shower situations, if so requested. This provision is applicable only when individual showers are not available at the offender’s assigned housing unit. (115.42 f)

.8 PSD Facilities shall not place Gender X and LGBTI offenders in dedicated facilities, units, or wings solely on the basis of such identification or status, unless such placement is established in connection with a consent decree, legal settlement, or legal judgment for the purpose of protecting such offenders. (115.42 g)

27.0 PROTECTIVE CUSTODY

.1 PSD discourages the placement of offenders in involuntary administrative segregated housing solely because of their high risk of sexual victimization status, unless an assessment of all available alternatives has been made and it is concluded that there is no available alternative for separating the victim from a likely abuser. This shall be documented by utilizing the PREA Mandated Reporting Form (PSD 8317), which shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days. (115.43 a)
.2 If the PSD facility is unable to conduct the above assessment immediately, the facility may hold the offender in involuntary administrative segregated housing for a period of less than twenty-four (24) hours pending the completion of the mandated assessment. (115.43 a)

.3 Offenders placed in segregated housing for this purpose shall have access to programs, privileges, education, and work opportunities to the extent possible, as dictated by the facility’s schedule and operational needs.

.4 If the facility restricts access to programs, privileges, education, or work opportunities, the facility shall document this by utilizing the PREA Mandated Reporting Form (PSD 8317). This shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days. The documentation shall include (115.43 b):

a. The programs, privileges, education, or work opportunities that have been limited;

b. The duration of the limitation; and

b. The reasons for such limitations.

.5 If a PSD facility assigns an offender at risk of sexual victimization to involuntary administrative segregated housing as an alternative means of separation from the likely abuser, then such an assignment should not normally exceed a period of thirty (30) days. (115.43 c)

.6 If an involuntary administrative segregated housing assignment is made pursuant to paragraph (1) of this section, the facility shall document this by utilizing the PREA Mandated Reporting Form (PSD 8317), which shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days. (115.43 d):

a. The basis for the facility’s concern for the offender’s safety; and

b. The reason why no alternative means of separation can be arranged.

.7 If the placement in involuntary administrative segregated housing exceeds the initial thirty (30) days, the facility shall conduct follow-up reviews as dictated by COR.11.01: Administrative Segregation and Disciplinary Segregation, but no less
than every thirty (30) days to assess the offender's continued separation from the general population.

.8 This shall be documented by utilizing the PREA Mandated Reporting Form (PSD 8317), which shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days. (115.43 e)

28.0 OFFENDER REPORTING

.1 PSD provides multiple internal and external ways for offenders to privately report sexual abuse and sexual harassment; retaliation by other offenders or staff for reporting sexual abuse and sexual harassment; and staff neglect or violation of responsibilities that may have contributed to such incidents. (115.51 a)

.2 Offenders may report non-consensual sexual acts, abusive sexual contacts, staff sexual misconduct, or staff sexual harassment to any PSD employee, contract employee, volunteer, or other external reporting avenues described in PREA information given to the inmate by using available methods of communication, including but not limited to verbal or written reports.

.3 PSD provides notification to offenders on how to report abuse or harassment to a public entity, private entity, or an external agency, who can receive and immediately forward offender reports of sexual abuse and sexual harassment to agency officials, such as the Department PREA Coordinator and may allow the offender to remain anonymous upon request. (115.51 b).

.4 Offenders, staff, and others may report incidents of sexual abuse, sexual harassment, and retaliation for reporting by:

a. Contacting the Ombudsman at 808-587-0770 or at 465 South King Street 4th Floor, Honolulu, HI 96813; a Legislative or Political Representative (at their office address), or the Department of the Attorney General at 808-586-1500 or at 425 Queen Street, Honolulu, HI 9613;

It should be noted that PSD does not normally house offenders solely for civil immigration purposes. (115.51 b)

.6 PSD mandates that staff accept reports of sexual abuse, sexual harassment, or retaliation made verbally, in writing, anonymously, and from third parties. Staff shall immediately document all verbal reports of sexual abuse, sexual harassment, or retaliation by immediately notifying superiors through the chain of command. (115.51 c)

.7 A staff member may privately report incidents of offender sexual abuse, offender sexual harassment, or retaliation as indicated in paragraph (4) of this section. (115.51 d)

29.0 EXHAUSTION OF ADMINISTRATIVE REMEDIES

.1 PSD’s policy COR.12.03: Inmate Grievance Program outlines the administrative procedures available to offenders for reporting incidents of sexual abuse, sexual harassment, or retaliation. (115.52 a)

.2 This section is an addendum to COR.12.03: Inmate Grievance Program as it relates to PREA incidents. PREA mandates that there shall be “no time limits or
deadlines" for filing a grievance that is reporting an alleged incident of sexual abuse.

a. PSD shall not restrict the processing of an offender grievance regarding an allegation of sexual abuse.

b. The filing period set forth in COR.12.03: Inmate Grievance Program is still applicable to any portion of the grievance that does not allege an incident of sexual abuse. The offender must still comply with appeal filing requirements as set forth in COR.12.03.

c. PSD shall not require an offender to utilize the informal grievance process for grievances alleging incidents of sexual abuse.

d. The statutory or legal provisions germane to the statute of limitations are applicable to any civil action in a court proceeding. (115.52 b)

.4 PSD’s grievance policy and timelines may differ from the PREA requirement that a decision on the merits of any grievance or portion of a grievance alleging sexual abuse be made within ninety (90) days of the filing of the grievance.

a. Computation of the PREA 90-day time period does not include time consumed by offenders in preparing any administrative appeal.

b. PSD may claim an extension of time to respond, of up to seventy (70) days if the normal time period for response is insufficient to make an appropriate decision. PSD shall notify the offender in writing of any such extension and provide a date by which a decision will be made. (115.52 d)

PREA SCREENING TOOL INSTRUCTIONS
OFFENDERTRAK DATA INPUT

The process for entering the PREA Screening Tool on Offendertrak requires that you sign on and search for the relevant offender by name or alpha. The process is similar to inputting a jail or prison classification instrument by going to the booking tab, booking management, classification, PREA Documents, PREA Screening Tool and the "New" tab button. You can begin to enter the PREA Screening Tool by following the instructions below.

I. IDENTIFYING DATA

Check Box: If no additional relevant information received within thirty (30) days of "New Intake/Admission." Enter Name, Initial, Date (mm/dd/yy) & Military Time (0000 hours). On Offendertrak, you can edit a prior PREA Screening or utilize the Organization Document Screen in Report to "check" that there was no additional relevant information within thirty (30) days.

Date: Enter the month, day, and year (mm/dd/yy) that the PREA Screening Tool (PSD 8314) is being completed. On Offendertrak, it is automatically populated.

SID: Enter the offender's permanent SID number. A temporary SID usually begins with an "X" or "T". On Offendertrak, it is automatically populated.

Check Box: If offender received the PREA Pamphlet, then enter the date received (mm/dd/yy).

Name: Enter the offender's full name by last name, first name and middle initial. This would be the name as entered into Offendertrak. On Offendertrak, it is automatically populated.

Sex: Enter the offender's sex by noting "M" for male or "F" for female, or "X" for unspecified identification. In addition, if the offender discloses the following information based on vulnerability question #6, then note "FT" for female transgender (male to female) "MT" for male transgender (female to male) or "I" for Intersex. On Offendertrak, use the drop-down menu to select the appropriate information.

Classification: If known, enter the offender's current security/custody classification, such as COM for community, MIN for minimum, MED for medium, CLS for close, and MAX for maximum. If the initial classification or reclassification has not been completed, then enter "NA". On Offendertrak, it is automatically populated.

Custody Status: Enter the offender's status based on court documents or facility records, such as pre-trial felon (PFT), pre-trial misdemeanor (PMT), sentenced felon probationer (SFP), sentenced felon (SF), sentenced misdemeanor (SM), pending sentence felon (PSF), pending sentence misdemeanor (PSM), and parole violator (PV). On Offendertrak, it is automatically populated.

Reason for Screening, check the appropriate box and on OFFENDERTRAK use the drop-down menu to select the appropriate information.
New Intake Review: Check box, if an offender is being screened as a new intake/admission, meaning that the offender is not presently under the custody or jurisdiction of the Department of Public Safety (PSD). This screening must be conducted within seventy-two (72) hours (includes weekends and holidays) of arrival at the facility. The BJA/PRC has clarified that intermittent sentences are considered one admission. This means that the first intake/admission for the current charge/offense will require a review and subsequent intermittent sentences do not require an addition "new intake/admission" review.

If the offender is released prior to the seventy-two (72) hour requirement and has not been screened with the PREA Screening Tool, then you are not required to complete the Screening Tool for the released offender.

Transfer Review: Check box, if an offender is being reviewed based on a transferred from one facility to another facility. The receiving facility must conduct a screening or reassessment by utilizing the screening tool preferably during the facility orientation process. This screening must be conducted within seventy-two (72) hours of the offender’s transfer to the receiving facility.

Within 30 day Review for New Intake or Transfer Review: The Receiving Facility staff or the Facility staff (preferably Case Management or PREA Facility Compliance Manager) housing the inmate shall within thirty (30) days, but not to exceed the 30 day deadline, of the offender’s new intake/admission shall reassess the offender, if there is any additional relevant information that was not consider at the seventy-two (72) hour screening that could impact the offender’s vulnerability factors or predatory factors.

This information could be any new documentation received or an incident that occurred that was not considered at the initial screening, to include an affirmative reassessment of the offender’s risk of victimization or abusiveness through interviews with the offender. If no additional relevant information has been received, then check the box on the top of Section I (highlighted) of the new intake/admission PREA Screening Tool (PSD 8314) that "no additional relevant information was received in thirty (30) days." The Reviewer will print their Name, Initial, Date (mm/dd/yy) and Military Time (0000 hours), then distribute the form with this change to the PSD PREA Coordinator (only) preferably via digital copy by email.

The second option is to use the Offendertrak Reports: Organizational Docs, PREA Docs to indicate the within 30 days of admission review.

New Information Review: This is not the review conducted within thirty (30) days of a New Admission (see above). Check box, if the facility receives additional relevant information that would impact the offender’s screening for vulnerability and predatory factors. If conducting the 30-day Review for New Intake/Admission and there is "additional relevant information" then the Reviewer would check this box. If checked, reassess the offender’s risk of victimization or abusiveness by utilizing a new PREA Screening Tool, which is subject to all distributions. Do not modify the original intake/admission PREA Screening Tool. The
additional relevant information may include reported and substantiated incidents of sexual abuse as a victim or predator or change in gender identification.

II. VULNERABILITY FACTORS
Document all sources of information or comments in the last column. If an offender refuses to participate by providing verbal responses to the PREA Screening Tool this shall be documented in the comment column.

If the offender denies, but is perceived by the Reviewer to be LGBTI, then the Reviewer should identify the offender as perceived. Enter the applicable LGBTI reference and add perceived to the comments. Otherwise enter “N” for no.
