All special duty employment and voluntary service is subject to the review, approval, suspension, and revocation by the Department.

.2 All deputy sheriffs recognize and acknowledge that their primary employment is with the Department of Public Safety and that any acceptance of special duty employment or voluntary service shall not interfere with their primary employment.

.3 All deputy sheriffs shall comply with all Department policies, directives, rules, and standards of conduct, and other State requirements, while engaged in
special duty employment or voluntary service.

.4 Special Duty Employment and Voluntary Service shall not be confused with Outside Employment as defined in ADM.03.07, Outside Employment.

5.0 RULES AND PROCEDURES

In accordance with HRS § 353C-2, the Director oversees deputy sheriffs, including special duty employment and voluntary service.

.1 Special Duty Employment Eligibility

a. The Department shall review and may approve or may prohibit all special duty employment where there is:

1. An actual or potential conflict of interest between the Department and the outside employer; or

2. A threat to the status or dignity of, or possible disrepute to, the Department and law enforcement as a professional.

b. Special duty employment shall be available upon request to deputy sheriffs, who have completed six (6) months of service following the completion of basic recruit training.

c. Deputy sheriffs who are on sick leave, injured leave, military leave, leave without pay, leave pending investigation, limited duty status, restriction of police authority (ROPA), or suspension or discipline are not eligible for special duty employment or voluntary service.

d. Deputy sheriffs who are on approved vacation are not eligible to work special duty employment for another State department or agency during the same or partial hours, of their regular scheduled shift. Deputy Sheriffs are, however, eligible to work special duty for another State department or agency before or after their approved vacation hours during their regular assigned shift on a given day. Deputy sheriffs on vacation are only eligible to work special duty for a private vendor.

e. The Divisional Commanders (the Sheriff or Training & Staff Development Administrator, based on assignment) or their designee, at their sole
discretion, may authorize a deputy sheriff compensatory time off (CTO) to work special duty employment for a private vendor, only if operations allow, provided that such a request for CTO is made in writing and approved forty-eight (48) hours in advance of the special duty or voluntary service.

.2 Request for Special Duty Employment and Scheduling

a. The Sheriff is responsible for review, approval, suspension and revocation of all special duty employment, but may delegate these tasks to the SDC as described below.

b. The special duty employment and voluntary service program shall be supervised by a deputy sheriff, who is assigned and tasked by the Sheriff or their designee, as the SDC. The SDC shall serve as the designated point of coordination for special duty employment. Each neighbor island section may have an SDC designated by the Sheriff.

1. The SDC shall receive and review all requests for special duty employment from outside employers.

2. The SDC is responsible to assess job site evaluations, assign, monitor, coordinate, and approve special duty requests by outside employers and voluntary service requests.

3. The SDC is responsible for scheduling all special duty employment based on qualifications, availability and this policy.

4. The SDC shall make every reasonable effort to ensure that special duty employment assignments are rotated and distributed equally and maintain a record of assignment that is available for review by the Sheriff.

5. The SDC shall ensure compliance with this policy and all laws, Department policies, directives, rules, standards of conduct, or other State requirements.

c. Special duty employment assignments are non-transferrable between deputy sheriffs. The approval of the Sheriff or SDC is necessary to facilitate and approve any change in a previously approved special duty assignment.
.3 **Duties and Responsibilities**

a. All deputy sheriffs shall comply with the law, all Department policies, directives, rules, standards of conduct or other State requirements, while engaged in special duty employment or voluntary service.

b. All deputy sheriffs engaged in special duty employment and voluntary service shall be subject to the laws, all Department policies, directives, rules, standards of conduct, or other State requirements, to the same extent as on-duty deputy sheriffs. In addition, all deputy sheriffs shall abide by safety and other requirements imposed by the outside employer.

c. All deputy sheriffs engaged in special duty employment or voluntary service shall wear Department issued Class A Uniform, and must comply with the uniform policy requirements, unless granted an exception by the Sheriff.

d. All deputy sheriffs will conduct themselves in a manner as to inspire confidence and respect for the position of public trust that is held.

1. A deputy sheriff's behavior and activity should reflect a high degree of professionalism and courtesy at all times.

2. All deputy sheriffs will conduct themselves in accordance with the Department of Public Safety, State of Hawai'i, Standards of Conduct.

e. Any deputy sheriff who neglects their duties or whose job efficiency is impaired by any special duty assignment(s) shall not be granted further special duty assignments and may be subject to an administrative action that may result in discipline.

f. All deputy sheriffs shall ensure that any special duty employment or voluntary service does not conflict with their duty hours or schedule and overlap with any other special duty employment.

1. All deputy sheriffs are prohibited from engaging in any special duty employment within 24 hours after calling in sick to their scheduled employment. Any violation of this requirement shall be subject to:
a) Suspension from special duty employment;

b) An administrative action that may result in discipline; and

c) Unless the procedures in Section 5.5, Excused Cancellation, for rescheduling with the SDC has been properly completed.

2. Section Commanders and Administrators shall immediately notify the SDC or the Sheriff, if there is a concern that a special duty employment is conflicting with the deputy sheriff's duty hours and schedule. If such an unauthorized conflict exists, the deputy sheriff may be subject to:

a) Suspension from the special duty employment; and

b) An administrative action that may result in discipline.

g. All deputy sheriffs shall take appropriate law enforcement action related to any incidents occurring at the site of the special duty employment, including any emergency calls.

1. Arrests made by deputy sheriffs engaged in special duty employment shall be made in accordance with laws, Department policies, rules, directives, and standards of conduct.

2. Where immediate action is not required, deputy sheriffs engaged in special duty employment may call for on-duty law enforcement assistance (state or local) and shall take command of the situation until relieved by on-duty law enforcement.

3. All deputy sheriffs engaged in special duty employment shall assist and complete follow up reports, if needed.

h. A vendor's request for a particular deputy sheriff may be honored only when their previous special duty assignments do not exceed the general average of those on the eligible list to ensure equitable distribution.
.4 Reporting for Duty

a. All deputy sheriffs engaged in special duty employment shall report to their special duty assignment at the time and place assigned with all necessary uniform and equipment required to perform the assignment.

b. All deputy sheriffs shall not use state vehicles (including State assigned vehicles) or another type of State equipment, other than the authorized uniform accessories and issued firearm, in special duty employment or voluntary service, unless such use is specifically authorized in advance by the Sheriff.

c. Private vendors shall provide any vehicles or other equipment required for the assignment at their expense.

d. Deputy sheriffs shall not have family, friends, and visitors visit, nor accompany them at any special duty job.

e. Deputy sheriffs will complete a memo, forwarded to SDC, through their chain of command, following any special duty/volunteer service assignment, if any of the below apply:

   1. Injury to employee(s) or others pertaining to the assignment;
   2. Any force used due to assignment, to include completion of PSD 0829, Use of Force Form (attached);
   3. Any personnel complaint received;
   4. Any issue pertaining to assignment that was not explained or approved in the initial assignment;
   5. Any extra time in the assignment that was not scheduled; or
   6. Any other information that is of concern due to the assignment.

.5 Excused Cancellation

a. All deputy sheriffs who are unable to report for their special duty employment assignment shall notify the SDC as soon as practicable, which is no later than three (3) working days prior to the assignment.
b. In the event of a cancellation, the SDC shall assign a replacement based on qualifications and availability.

c. Cancellations submitted less than three (3) working days prior to the assignment may be excused by the Sheriff or the SDC for the following reasons:

   1. Illness or injury;
   2. Emergency (personal or family);
   3. Court appearances; or
   4. Other on-duty requirements.

d. If a deputy sheriff becomes suddenly incapacitated or unable to fulfill his assigned special duty assignment, he/she shall be responsible for immediately notifying the SDC and provide the name of the replacement.

e. The deputy sheriff shall make every attempt to find a replacement and provide the name to the SDC, when he/she provides the notification required by "5.5 d" above.

f. If the deputy sheriff is physically unable to find a substitute, the SDC will make reasonable attempts to schedule another deputy sheriff for duty as soon as possible.

.6 **Suspension/Discipline from Special Duty Employment**

a. A deputy sheriff, who fails to report for a special duty employment assignment without proper notification to the SDC shall not be granted further special duty assignments until a written report detailing their failure to report for the assignment is submitted to the Sheriff, through the SDC and the Sheriff has determined the absence qualifies to be excused by the Sheriff.

b. If the absence is not excused by the Sheriff, the deputy sheriff who fails to report for duty at the time and place assigned, leave their assignment without authorization, or violates any law, Department directive, rule or standard of conduct, while engaged in special duty employment may be
subject to an administrative action that may result in discipline and suspension from the special duty employment program.

c. Any deputy sheriff accepting and performing a special duty assignment for any personal gain and/or without proper authorization shall be subject to an administrative action that may result in discipline, suspension from the special duty employment program, and a referral to the State Ethics Commission for a violation of State Ethics rules.

.7 Special Duty Employment Compensation

a. Compensation for special duty employment by State and private vendors shall be for only the actual hours spent performing the special duty employment.

b. Compensation for private vendors shall be at a fixed hourly rate, multiplied by the numbers of hours worked or fraction thereof computed to the nearest fifteen (15) minutes, as set forth below:

<table>
<thead>
<tr>
<th>Deputy Sheriff</th>
<th>Rate</th>
</tr>
</thead>
<tbody>

</tr>
<tr>
<td>III</td>
<td>$50.00 per hour</td>
</tr>
<tr>
<td>IV</td>
<td>$55.00 per hour</td>
</tr>
</tbody>
</table>

c. The private vendor will pay the deputy sheriff directly for special duty work performed based on the actual hours spent performing the special duty employment, therefore the padding or payment for unearned hours is prohibited. The Department is not responsible for unpaid wages or taxes. The Department will not perform as the “collector” for the deputy sheriff and shall not be involved in disputes between the deputy sheriff and the private vendor.

d. Compensation for evictions, as requested by private vendors for execution of court-ordered Writ of Ejection or Possessions, shall be at a fixed hourly rate, multiplied by the number of hours worked or fraction thereof computed to the nearest fifteen (15) minutes, as set forth below with advance agreement by the private vendor/party requesting the service:

<table>
<thead>
<tr>
<th>Deputy Sheriff</th>

</tbody>
</table>
Deputy Sheriff III $60.00 per hour

The Department is not responsible for unpaid wages or taxes. The Department will not perform as the "collector" for the deputy sheriff and shall not be involved in disputes between the deputy sheriff and the private vendor.

f. Compensation for special duty employment by State agencies shall be based on the individual deputy sheriff’s overtime hourly rate of pay (which is one and a half times the deputy sheriff’s hourly rate). Deputy sheriffs may receive such payment for special duty work performed in excess of eight (8) hours per day and forty (40) hours per week, based on the actual hours spent performing the special duty employment, therefore the padding or payment for unearned hours is prohibited.

   a) Journal Voucher reimbursement to the Sheriff Division, or
   
   b) Check payable to the Department of Public Safety.

2. The original State Form D55 will be processed by the Department of Public Safety to the individual Deputy Sheriff, who performed the special duty work.

Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.

- Individual, sole proprietor or single-member LLC
- C Corporation
- S Corporation
- Partnership
- Trust/estate
- Limited liability company. Enter the tax classification (C corporation, S corporation, P = Partnership).

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is an individual that is disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

Exemptions (code apply only to certain entities, not individuals; see instructions on page 3).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (TIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an Information return. Examples of Information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.
By signing the filled-out form, you:
1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See What is FATCA reporting, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:
• An Individual who is a U.S. citizen or U.S. resident alien;
• A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
• An estate (other than a foreign estate); or
• A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:
• In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
• In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
• In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach to your tax return a statement that explains how the saving clause did not result from your income.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include Interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:
1. You do not furnish your TIN to the requester.
2. You do not certify your TIN when required (see the instructions for Part II for details).
3. The IRS tells the requester that you furnished an Incorrect TIN.
4. The IRS tells you that you are subject to backup withholding because you did not report all your Interest and dividends on your tax return (for reportable Interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable Interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See Exempt payee code, later, and the separate instructions for the Requester of Form W-9 for more information.

Also see Special rules for partnerships, earlier.

What is FATCA Reporting?
The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See Exemption from FATCA reporting code, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information
You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties
Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect. Federal criminal penalty for false Information with respect to withholding. If you make false statements with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.
Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misdemeanor of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1
You must enter one of the following on this line: do not leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI), list first, and then circle, the name of the person or entity whose number you entered in Part 1 of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. Individual. Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the business name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. Sole proprietor or single-member LLC. Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or “doing business as” (DBA) name on line 2.

c. Partnership, LLC that is not a single-member LLC, C corporation, or S corporation. Enter the entity's name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

d. Other entities. Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity.” See Regulations section 301.7701-2(c)(2)(ii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2
If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3
Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is an individual, sole proprietor, or single-member LLC:

- Corporation
- Partnership
- Trust/estate

THEN check the box for:

- Corporation
- Individual/sole proprietor or single-member LLC
- Partnership
- Trust/estate

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside the United States or any state that requires a FATCA code. Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5
Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6
Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)
Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see How to get a TIN below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner’s SSN (or EIN, if the owner has one). Do not enter the disregarded entity’s EIN. If the LLC is classified as a corporation or partnership, enter the entity’s EIN.

Note: See What Name and Number To Give the Requester, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately.
To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4, or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification
To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.
For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see Exempt payee code, earlier.

Signature requirements. Complete the certification as indicated in Items 1 through 5 below.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:
• Protect your SSN,
• Ensure your employer is protecting your SSN, and
• Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TTYD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.
The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the Information on the form to file information returns with the IRS, reporting the above information. Routine uses of this Information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.
