**ATTACHMENT B**
NOTIFICATION OF COVERED OFFENDER REGISTRATION

As a covered offender (sex offender or offender against minor), I have been informed and understand that I am required to comply with the following requirements and that failure to comply with any of the requirements may result in criminal penalties.

1. I am required to register for life with the attorney general and comply with the provisions of covered offender registration (chapter 846E, Hawaii Revised Statutes). I must continue to register even after my probation or parole ends. The requirement to register can only be terminated if:
   a) I petition for and receive a court order terminating my registration requirements; or
   b) I receive a full and absolute pardon or a conditional pardon which specifically excuses me from the registration requirement; or
   c) I permanently move to another state following a valid notice of the intended move to the attorney general and compliance with registration requirements of the new state of residence.

2. I must register with the chief of police of the county where I reside or am present in. I have received a list of addresses and telephone numbers of the agencies where I can register. I must register with the chief of police no later than three (3) working days after the earliest of the following:
   a) Arrival in this state;
   b) Release from incarceration;
   c) Release from commitment;
   d) Release on furlough;
   e) Conviction for a covered offense, unless incarcerated;
   f) Release on probation;
   g) Placement on parole; or
   h) Arrival in the county in which I will reside or be present for more than ten (10) days.

3. I have received a copy of chapter 846E, Hawaii Revised Statutes, and understand that I have the responsibility to read it, understand it, and comply with its provisions.

4. I must report in-person to the chief of police of the county where I reside, or other designated registration agency, every year, within the 30-day period following my date of birth. Upon reporting, I must review the existing information in the registry that is within my knowledge, correct any information that has changed or is inaccurate, provide any new information that may be required, and allow the police or agency to take a current photograph. I must repeat this process every year.

5. If I have registered a permanent residence address to which the U.S. Postal Service will deliver mail, or a permanent residence and a registered post office box, during the first week of January, April, July, and October of every year, the attorney general will mail a nonforwardable verification form to my last reported permanent residence address or post office box. I must complete, sign, and mail or deliver the completed verification form to the attorney general within ten (10) days after receipt of the form.

6. If I have registered any of the following types of residences, during the first week of January, April, July, and October of every year, I am required to report in-person to the chief of police of the county where I reside, or other designated registration agency.
   a) A temporary residence address;
   b) A description of a place or area in which I reside for at least 30 nonconsecutive days within a 60-day period;
   c) No place of residence; or
   d) A permanent residence address, to which the U.S. Postal Service will not deliver mail, and have not registered a post office box.

Upon reporting, I must review the existing information in the registry that is within my knowledge, correct any information that has changed or is inaccurate, and provide any new information that may be required. I must repeat this process until such time I register a permanent address to which the U.S. Postal Service delivers mail or register a permanent residence and a post office box.

7. While reporting to the chief of police, or other designated registration agency, I must correct registry information required by §846E-2(d).
8. While reporting to the chief of police, or other designated registration agency, I must provide any new information that is required by §846E-2(d).

9. I must inform the attorney general, in writing (at the address below) within three (3) working days if any of my registration information changes, including but not limited to a change in residence. A change in residence occurs during any period in which I am absent from my registered residence for ten (10) or more days. Notifying my probation or parole officer or any other agency of any changes in registration information does not relieve me of my duty to notify the attorney general of any changes. A written notice of any change in my registration information may be mailed to the attorney general at:

Hawaii Criminal Justice Data Center
Department of the Attorney General
465 S. King Street, Room 102

10. If I move to a new state, I must register my new address with the (Hawaii) attorney general within three (3) working days and I must register my new address with the designated law enforcement agency in the new state within the period mandated by the new state’s sex offender registration laws.

11. If I visit another county for more than ten (10) days, I must register with the chief of police in that county within three (3) working days of my arrival.

12. I understand that providing false registration information to the attorney general, chief of police, or any designated registration agency is a crime.

13. I understand that signing any statement verifying that all my registration information is accurate and current when any of the registration is not accurate and not current is a crime.

By signing this notice provision, I agree that I have fully read and understood the requirements of covered offender registration.

Note
Chapter heading amended by L 2005, c 45, §2.

Revision Note
Chapter was enacted as addition to title 37 but was renumbered pursuant to §23G-15.
In this chapter, subsection, paragraph, and subparagraph designations are redesignated pursuant to §23G-15(1).

Law Journals and Reviews

Case Notes
Indecent exposure, in violation of §707-734, does not constitute an offense that entails “criminal sexual conduct” and, consequently, persons convicted of indecent exposure are not “sex offenders” for purposes of this chapter; thus, defendant was not required to register as a “sex offender” pursuant to this chapter. 102 H. 383, 76 P.3d 935 (2003).
Registration requirements under this chapter not cruel and unusual punishment under article I, §12 of the Hawaii constitution as registration requirements are not so punitive in nature as to overcome legislature’s remedial purpose. 105 H. 222, 96 P.3d 242 (2004).
The lifetime registration component of the Hawaii sex offender registration statute implicates a protected liberty interest under the Hawaii constitution, article I, §5 and requires that minimum requirements of due process—notice and opportunity to be heard—be afforded to convicted sex offenders; such a proceeding may be instituted by a sex offender in a special proceeding. 105 H. 222, 96 P.3d 242 (2004).
This chapter, as applied to defendant, was not grossly disproportionate to the offenses for which defendant was convicted, as proportionality is not guaranteed by the Eighth Amendment; the question was whether the statute itself affects a punishment which was both severe and unknown to Anglo-American tradition. 105 H. 222, 96 P.3d 242 (2004).
This chapter not violative of ex post facto clause under Article I, §10 of the U.S. Constitution as legislature’s express purpose was for chapter to be remedial rather than punitive and statutory scheme is not so punitive as to negate the State’s remedial purpose. 105 H. 222, 96 P.3d 242 (2004).

729
§846E-1 Definitions. As used in this chapter, unless the context clearly requires otherwise:

"Foreign conviction" means a conviction under the laws of:

(1) Canada, United Kingdom, Australia, or New Zealand; or

(2) Any other foreign country, if the United States Department of State, in its Country Reports on Human Rights Practices, has concluded that an independent judiciary vigorously enforced the right to a fair trial in that country during the year in which the conviction occurred and enforced the right to a fair trial to the same or higher standard as the countries listed in paragraph (1).

"Offender against minors" means a person who is not a "sex offender", as defined in this section, and is or has been:

(1) Convicted at any time, whether before or after May 9, 2005, of a "crime against minors" as defined in this section; or

(2) Charged at any time, whether before or after May 9, 2005, with a "crime against minors" as defined in this section and who is found

Note

The 2013 amendment applies to all acts committed prior to, on, or after April 30, 2013. L 2013, c 64, §1.

Case Notes

As the registration requirements of chapter 846E do not interfere with any of a sex offender's protected liberty interests, the protections of procedural due process are not triggered. 97 H. 285, 36 P3d 1223 (2001).

The lifetime registration component of the Hawaii sex offender registration statute implicates a protected liberty interest under the Hawaii constitution, article I, §5 and requires that minimum requirements of due process—notice and opportunity to be heard—be afforded to convicted sex offenders; such a proceeding may be instituted by a sex offender in a special proceeding. 105 H. 222, 96 P3d 242 (2004).

(d) A covered offender may seek correction of erroneous public information by petitioning the attorney general to make the correction. If the covered offender is not satisfied with the decision of the attorney general on the request for correction, the covered offender may appeal the decision pursuant to chapter 91.
846E-3 PROCEDURAL AND SUPPLEMENTARY PROVISIONS

(c) Public access to a covered offender's public information shall be permitted with regard to each covered offender beginning the next working day following the filing of a judgment of conviction, a finding of unfitness to proceed or an acquittal due to mental disease, disorder, or defect, for a covered offense, or as soon thereafter as is practical. When a notice of appeal has been filed, the public information shall note that the covered offender has filed a notice of appeal. The public information shall be removed upon the reversal of the covered offender's conviction or the granting of a pardon to the covered offender.

(f) Public access authorized by this section shall be provided by both public internet access and on-site public access; provided that on-site public access shall be provided for each covered offender at the Hawaii criminal justice data center and at one or more designated police stations in each county, to be designated by the attorney general, between the hours of 8:00 a.m. and 4:30 p.m. on weekdays, excluding holidays.

(g) Public access to the public information for each covered offender shall be permitted while the covered offender is subject to sex offender registration, except that after forty years have elapsed after release or sentencing, whichever is later, a covered offender may petition the court in a civil proceeding to terminate public access. In the civil proceeding to terminate public access, the State shall be represented by the attorney general; provided that the attorney general, with the prosecuting agency's consent, may designate the prosecuting agency that prosecuted the covered offender for the most recent offense within the State to represent the State. For covered offenders who have never been convicted of a covered offense within the State of Hawaii, the attorney general shall represent the State; provided that the attorney general, with the prosecuting agency's consent, may designate the prosecuting agency for the county in which the covered offender resides to represent the State. The court may order this termination upon substantial evidence and more than proof by a preponderance of the evidence that:

(1) The covered offender has had no new convictions for covered offenses;
(2) The covered offender is very unlikely to commit a covered offense ever again; and
(3) Public access to the covered offender's public information will not assist in protecting the safety of the public or any member thereof; provided that a denial by the court for relief pursuant to a petition under this section shall preclude the filing of another petition for five years from the date of the last denial.

(h) If a covered offender has been convicted of only one covered offense and that covered offense is a misdemeanor, the covered offender shall not be subject to the public access requirements set forth in this section.

(i) The following message shall be posted at both the site of internet access and on-site public access locations:

"Information regarding covered offenders is permitted pursuant to 846E. Public access to this information is based solely on the fact of each offender's criminal conviction and is not based on an estimate of the offender's level of dangerousness. By allowing public access to this information, the State makes no representation as to whether the covered offenders listed are dangerous. A person who uses the information in this registry to injure, harass, or commit a criminal act against anyone included in the registry may be subject to criminal prosecution, civil liability, or both."

(j) The public access provisions of this section shall apply to all covered offenders without regard to the date of conviction.

[L. 1997, c 316, pt of §2; am L 1998, c 194, §3; am L 2002, c 234, §2; am L 2003, c 52, §5; am L 2004, c 59, §3; am L 2005, c 45, §5; am L 2006, c 106, §3; am L 2008, c 80, §6]

Case Notes

As this section operated to deprive defendant of a protected liberty interest and provided defendant with neither notice nor an opportunity to be heard prior to notifying the public of defendant's status as a convicted sex offender, this section denied defendant due process under article I, 8 of the Hawaii constitution; this section is thus void and unenforceable. 97 H. 283, 36 H.R. 1235 (2003).

§846E-4 Duties upon discharge, parole, or release of covered offender. (a) Each person, or that person's designee, in charge of a jail, prison, hospital, school, or other institution to which a covered offender has been committed pursuant to a conviction, or an acquittal or finding of unfitness to proceed pursuant to chapter 704, for a covered offense, and each judge, or that judge's designee, who continues bail for or releases a covered offender following sentencing and the entry of a judgment of conviction, who releases a covered offender on probation or who discharges a covered offender upon payment of a fine, and each agency having jurisdiction, shall, prior to the discharge, parole, or release of the covered offender:

The attorney general immediately shall transmit the conviction data and verified fingerprints to the Federal Bureau of Investigation, unless the items have been previously transmitted to the Federal Bureau of Investigation.

(e) The chief of police shall transmit any covered offender registration information required by this chapter to the attorney general, by entering the information into a statewide record system, if the information has not previously been entered into the system, and also shall provide the attorney general with a photograph and fingerprints of the covered offender, taken at the time the covered offender registers with the chief of police. Note

The 2013 amendment applies to any acts committed prior to, on, or after April 30, 2013. L 2013, c 64, §11.

Case Notes
