

Department of Public Safety COVID-19 Update for 1/11/21:
Inmate and Staff Testing Continues

The Halawa Correctional Facility (HCF) reported 2 inmate test results over the weekend, both of which were inconclusive. There are eight (8) hospitalized HCF inmates. Additionally, 37 HCF inmates have recovered increasing the total recovered to 377 and dropping the total active inmate cases to 159. All 14 HCF staff results received were negative. There was also one (1) more HCF staff recovery. The Oahu Community Correctional Center (OCCC) reports 16 negative inmate test results. Additionally, there are **zero (0)** active positive inmates at OCCC as the one (1) remaining positive inmate has been medically cleared as recovered.
