

Department of Public Safety COVID-19 Update for 1/12/21:
Inmate and Staff Testing Continues

The Halawa Correctional Facility (HCF) reported 107 inmate test results, eight (8) of which were positive, 98 negative and one (1) was inconclusive. There are eight (8) hospitalized HCF inmates. Additionally, 56 more HCF inmates have recovered increasing the total recovered to 433. The O'ahu Community Correctional Center (OCCC) reports 39 negative inmate test results. OCCC and other facilities that experienced outbreaks, including Waiawa Correctional Facility and the Saguaro Correctional Center in Arizona, are clear of all active positive inmate cases.
