

Department of Public Safety COVID-19 Update for 11/10/20 Saguaro Correctional Center (AZ) Test Results Received and Statewide Inmate Mass Testing Continues

Testing of all Hawai'i inmates at the Saguaro Correctional Center in Eloy, AZ was completed Thursday, October 29. The 662 inmates with first-round negative test results are being re-tested as part of surge testing efforts at the facility. So far 127 of the re-test results are negative, 44 are positive. The re-tests for the remaining negative inmates are pending. The current test results of the entire Hawaii inmate population are broken down as follows:

- 618 negative test results
- 457 total positive test results (Note: 51 earlier positive cases recovered so the current active positive cases are 406.)
- 2 test results inconclusive.

There are five (5) inmates in the hospital. All other positive inmates are in medical isolation at the facility. The negative inmates remain in a precautionary quarantine. There are currently 1,081 inmates housed at Saguaro. The Department of Public Safety (PSD) has established an information hotline with recorded updates on the Saguaro testing at: 808-587-1421.

DOH testing of O'ahu Community Correctional Center (OCCC) inmates and staff is continuous. There was one (1) OCCC inmate result received today that was negative. There are no OCCC inmates in the hospital. One more OCCC staff member has recovered and returned to work. Additionally, 90% of PSD staff who tested positive for COVID-19 have recovered. Information on PSD's planning and response to COVID-19 can be found at:
