

Department of Public Safety COVID-19 Update for 11/11/20

Statewide Inmate Mass Testing Continues

DOH testing of O'ahu Community Correctional Center (OCCC) inmates and staff is continuous. All 163 OCCC inmate results and nine (9) staff results received were negative. There are no OCCC inmates in the hospital. Additionally, 90% of PSD staff who tested positive for COVID-19 have recovered.

PSD's Health Care Division is working with DOH, the Hawai'i National Guard (HING) and community partners, to conduct mass testing for COVID-19 at all other correctional facilities statewide. The mass testing at the Hawaii Community Correctional Center is underway and will continue through the next week. So far 31 HCCC inmate results have come in. All 31 were negative.
