

**Department of Public Safety COVID-19 Update for 2/16/21:**  
**Statewide Inmate Testing Continues**

COVID-19 testing is continuously being conducted statewide at all facilities. Over the weekend, the Maui Community Correctional Center (MCCC) reported 55 negative inmate results as part of mass testing efforts underway at the facility. There were two (2) inmate recoveries reported bringing the total active inmate cases down to 18. No MCCC staff have reported having COVID-19. Halawa Correctional Facility (HCF) reported 40 negative inmate results. HCF is clear of all active inmate cases.
