

**Department of Public Safety COVID-19 Update for 2/8/21:**  
**Statewide Inmate Testing Continues**

The Maui Community Correctional Center (MCCC) reports 29 negative staff test results and 25 negative inmate results as part of mass testing efforts underway at the facility. The total positive inmate cases remain unchanged at eight (8). There are 19 inmates in medical isolation, including the eight (8) confirmed positive cases, and an additional 70 inmates on quarantine status as they undergo testing. No MCCC staff have reported having COVID-19. MCCC is working collaboratively with the Maui District Health Office, DOH, and the Hawai'i Army National Guard to implement mass testing of affected inmates and staff.

COVID-19 testing is continuously being conducted statewide at all facilities. The Halawa Correctional Facility reported five (5) negative inmate test results. There were also 10 HCF staff results reported, eight (8) of which were negative and two (2) inconclusive. The Oahu Community Correctional Center (OCCC) reports one (1) new positive staff case. OCCC also received 13 negative inmate test results.
