

Department of Public Safety COVID-19 Update for 3/23/21

Statewide Inmate Testing Continues

COVID-19 testing is continuously being conducted statewide at all facilities. The Maui Community Correctional Center (MCCC) reports one (1) additional positive inmate case and three (3) more inmate recoveries. The total active positive inmate cases drop to three (3) and the number of recovered inmates increased to 86. There is one (1) MCCC inmate in the hospital.

Although there are no active cases in any other facilities, mass testing continues with DOH assistance. The Oahu Community Correctional center reports one (1) negative inmate test result.
