

## **Department of Public Safety COVID-19 Update for 3/31/21**

### **Statewide Inmate Testing Continues**

COVID-19 testing is continuously being conducted statewide at all facilities. The Maui Community Correctional Center (MCCC) total active inmate cases remain unchanged at five (5). There are no MCCC inmates in the hospital. The Oahu Community Correctional center reports 10 negative inmate test result and Halawa Correctional Facility reports three (3) negative inmate test results.
