

## **Department of Public Safety COVID-19 Update for 3/9/21**

### **Statewide Inmate Testing Continues**

COVID-19 testing is continuously being conducted statewide at all facilities. The Maui Community Correctional Center (MCCC) total active positive inmate count remains unchanged at 40. The one (1) MCCC employee who reported a positive result has been cleared to return to work. All other facility inmate populations are clear of the virus. The Oahu Community Correctional Center reported 39 negative inmate results. The Halawa Correctional Facility and the Waiawa Correctional Facilities each reported one (1) negative inmate test result.
