

Department of Public Safety COVID-19 Update for 5/19/21

1 MCCC Inmate Positive, Inmate Testing Continues Statewide

COVID-19 testing is continuously being conducted statewide at all facilities. The Maui Community Correctional Center reports six (6) inmate test results received. Of that number, one (1) was positive and five (5) were negative. The positive case was a new admission who was already in the intake-related quarantine.

The inmate test results received at other facilities are as follows:

Oahu Community Correctional Center – 22 negative inmate test results

Women's Community Correctional Center – 6 negative inmate test results

Halawa Correctional Facility – 1 negative inmate test results

The Department of Public Safety continues to encourage all staff and inmates to voluntarily receive the COVID vaccination. For more information on PSD's planning and response efforts to COVID-19: <http://dps.hawaii.gov/blog/2020/03/17/coronavirus-covid-19-information-and-resources/>.
