UPDATES (5/15/20)**

(HONOLULU) – There are no confirmed cases of COVID-19 in the prisons or jails.

**Jail Population Report**

From March 2 to May 15 there has been a substantial reduction in the jail population across the state. These reductions are due to the huge, up-front diversion efforts made by county police departments, PSD's Intake Services Center Division and the State Judiciary. More recent, additional reductions are due to the collaborative efforts of the state public defender's office, county prosecutors, the Hawai'i Supreme Court and the Supreme Court appointed Special Master, Judge Dan Foley.
