

KULANI CORRECTIONAL FACILITY (KCF)

INMATE RESPONSIBILITIES

Inmates are reminded that their ability to follow the guidelines is a measure of their progress toward release. Their level of program participation will be evaluated to ensure their success on parole. KCF offers programs and activities that will allow inmates the opportunities to develop skills that will be useful in their transition back into the community.

INMATE GRIEVANCE

A grievance process exists to address inmate concerns. Prior to the submission of a formal grievance, inmates should first attempt to resolve complaints informally through the appropriate staff. If the inmate does not receive resolution, the inmate may file a grievance. All grievances are confidential. A family member cannot file a grievance on behalf of an inmate.
